HEALTH OF NEW-ORLEANS .- So far this season HEALTH OF NEW-OBLEANS.—So far this season (we speak advisedly.) New-Otleans has been remarked beliefly. We have conversed with a number of our most intelligent physicians, and on their authority we speak. Last evening we inquired for information on this matter. The vellow lever is in the city. There have been deaths from it, and there are yet cases of it; but we believe that no one, knowing anything of the disease, anticipates, even in the alignment degree, that we are to have an end-doubt.
